

Champagne Infused Jello Shots

INGREDIENTS

- 1 package Colored Jello (we like red)
- 1 cup boiling water
- 1 cup chilled Champagne

DIRECTIONS

1. Add the Jello and boiling water and stir until powder is dissolved.
2. Allow to cool to room temperature.
3. Slowly add the champagne and stir in.
4. Pour into an ice cube tray and refrigerate until set.
5. To serve, dip trays in hot water for 5 seconds then run a knife around the outside of the shot.
6. Place on a serving platter and garnish with colored sugar or sprinkles.
